

DAECIA BIGSTER

THINK BIG, TRAVEL WITH BIGSTER

Experience the city and adventure in full with Dacia Bigster. An SUV with a powerful design and bold graphic lines, it features a generous boot and an exceptionally spacious interior: up to five people can travel in ultimate comfort. Its electrified engine range can cater to everything you want to do with it: full hybrid and four wheel drive capabilities. Bigster, better than a new SUV, an unprecedented offer the likes of which only Dacia can develop.

ASSERTIVE SUV CHARACTER

Dacia Bigster boasts modern lines and volumes for maximum robustness and interior space. The dynamic front end stands out with its sculpted bonnet and lighting signature, including the iconic Dacia Link logo. On the profiles, the Starkle® wheel arches and side protectors underline the SUV's outdoor capability.

Featuring a panoramic opening sunroof⁽¹⁾ providing unique interior light, its exclusive Indigo Blue exterior colour adds an additional touch of distinction. There's a Bigster for everyone.

Panoramic opening sunroof⁽²⁾

Exclusive two-tone colour⁽³⁾

(1) Dependant on version. (2) Standard on Extreme, optional on Journey.
(3) Available as an option on Extreme and Journey on Shadow Grey or Indigo Blue.

MORE SPACIOUSNESS, PURE BIGSTER

Enjoy the generous welcome of Bigster's five seats. Set the height that works for you and tilt it forwards or backwards to your favourite seating position. Lumbar adjustment optimises comfort in both seats. With the Hybrid 155 engine, the Journey and Extreme versions feature a high centre console with a refrigerated storage compartment.

In the rear, passengers can enjoy best-in-class knee and head room. The 40/20/40 split-folding bench seat with a centre seat that folds down into an armrest reinvents comfort and increases loading possibilities.

Dacia Bigster is even more versatile thanks to its large boot with a maximum capacity of 667 litres VDA. The electric tailgate⁽⁴⁾ opens automatically, simplifying your everyday business and leisure task.

And try out the ingenious YouClip attachment system: four fixation points distributed throughout the vehicle, with the option to add two additional points with the headrest support as an accessory. Use it to securely hang all your various items (phone, tablet, cup, etc.).

High console with cooling storage⁽¹⁾

3-in-1 YouClip⁽²⁾

Powered tailgate⁽³⁾

(1) Hybrid 155 only. (2) Also available as an accessory. (3) Available on Journey. (4) Standard on Journey versions.

INTERIOR EXPERIENCE DESIGNED FOR YOU

Technologies and ergonomics for a simple and safe everyday life. Driving and multimedia information are collated on the 10" digital instrument panel⁽¹⁾ and the central 10.1" touchscreen. An elegant green line connects these two screens, integrating them seamlessly into the dashboard. And you will be connected at all times with the wireless smartphone charger.

Designed for the pleasure of five passengers, the interior ambience features controlled soundproofing, an Arkamys® 3D sound system with six speakers and customisable dual-zone air conditioning in the front and with the rear air vents.
